The geographical spread of applicants shows that 29 countries out of 33 participating in the "Europe for Citizens" Programme are represented. The greatest number of applications comes from Hungary (20,7%), Slovakia (15,8%), Germany (13,8%) and France (11,8%). In terms of the geographical spread including the partners, it is important to underline that all countries participating in the programme are represented.

An important increase in terms of the multilateral projects can be stressed. Thus, among the submitted applications 70% were multilateral projects and 30% were bilateral ones.

The European Year of Citizens (2013) was taken into consideration by 61% of eligible applications, while 23% of applications addressed to the European Year of Volunteering 2011. The European Year of Active Ageing and intergenerational solidarity 2012 was taken into consideration by 18 % of eligible applications.

Additionally, the Programme themes most often taken into consideration by eligible proposals were:

- Increasing awareness, understanding and enjoyment of the values, rights and opportunities created by the EU – 72%
- Raising awareness, reflection and debate on the relevance and implications of EU policies on citizens' daily lives – 57%
- Exchanging views with and presenting results to the appropriate decision-makers on on-going European policies and their impact on local situations as well as on local issues with a European dimension – 26%
